MEANWELL HLG-600H-24A LED-SCHALTNETZTEIL IP65 CV+CC

Art.: 1609288
Type: 600W 24V/25A
Herstellernummer: HLG-600H-24A
Herstellertyp: SNT IP65 600W 24V/25A
Hersteller: MEANWELL

Beschreibung:
HLG-600H-24A Schaltnetzteil, 24V, 600W, IP65/67

HLG-600H series is a high performance dustproof and waterproof AC-to-DC LED power supply up to 600Watts. The fully-potted silicone and the aluminum case facilitate the heat dissipation. Above all, it delivers the efficiency up to 96% that tops the LED power supply field. Other features include the wide working temperature range between -40 and +70, the fan-less design, the adjustable output voltage and current, the surge susceptibility up to 4KV (EN61000-4-5), low no-load power consumption
